

Season Ticket Application - 2022/23

We are delighted to confirm that season tickets for the 2022/23 campaign are now on sale – and massive savings are available until the end of May, making it even more affordable to watch the Rebels next season.

Our ‘early bird’ window is now open, closing on Tuesday 31st May.

With three more home matches in 2022/23 due to the league expanding to 24 clubs, this makes our season tickets even better value for money - with adults able to watch for just £8.48 per match, and concessions only £6.30 per match!

What’s more, your season ticket will enable you to watch all home league matches for our ladies teams and men’s U23, U19 and U18 teams!

We are also still offering the hugely popular Junior Rebels membership for supporters aged 5-15, which works out at just £1.74 per match and includes a replica shirt, birthday card and open training session with first team players.
